

## **BRAXTON TECHNOLOGIES, LLC --OASIS SMALL BUSINESS POOL 4 AWARDEE**

**Colorado Springs, CO., May 26, 2020** — The General Services Administration (GSA) has awarded Braxton Technologies, LLC the One Acquisition Solution for Integrated Services (OASIS) Small Business Pool 4 contract. OASIS is a Best-in-Class solution for many government agencies and was developed in response to the government’s substantial need for a hybrid, government-wide acquisition vehicle for complex professional services requirements according to the GSA website.

Braxton Technologies, LLC is a member company of Braxton Science & Technology Group (BSTG). BSTG combines companies with expertise and products for Command & Control, Satellite Ground Systems, Software Development, Systems Engineering, Cross Domain Data Dissemination, Cybersecurity, Integration, Test & Checkout, and Satellite Operations.

This award allows Braxton to compete with other Pool 4 contenders in delivering professional commercial and non-commercial services through the OASIS IDIQ contract vehicles. The OASIS SB contract core disciplines will include program management, management consulting, logistics, engineering, scientific, and financial services.

OASIS SB Pool 4 (1,000 employee small business standard size) includes Research and Development in Physical, Engineering, and Life Sciences under the NAICS Code 541715.

For more information about OASIS SB, visit the GSA website <https://www.gsa.gov/buying-selling/products-services/professional-services/buy-services/one-acquisition-solution-for-integrated-services-oasis>

*“This OASIS Pool 4 contract vehicle provides a valuable tool that allows us to bring stellar solutions to our ever-broadening customer set”. – Kenneth W. O’Neil, Braxton President*
